SIR,

30/5

Disposal of a vacant strip of land belonging to Sri Raghupathi Swami Temple at H.Narasipur Taluk.

I have the honor to state that in his letter No.P.R.149-32 dated 18th January 1933 (copy enclosed) the Deputy Commissioner of the Hassan District (Mr. T. G. Rama Iyer) recommended that a vacant strip of land belonging to the temple at the entrance into the Fort from the Petta at H.Narasipur may be ordered to be sold in public auction and the proceeds invested in Government securities for the benefit of the temple as the institution was not deriving any benefit out of the land. Further investigation has disclosed that neither the temple nor the Municipality is in possession of any documentary evidence as to the title of the land, but that one Ramakrishniah, who was a Police Inspector at the place, got the ditch filled in and built a house on a portion of the vacant site as an adjunct to the temple. It is also reported that the Municipal authorities have not imposed any tax on it. The present Deputy Commissioner (Mr.M.Chennaraj Urs) is of opinion that as there is no documentary evidence to show that the land belongs either to the temple or the Municipality it has to be presumed that the site belongs to the Revenue Department and has to be treated as revenue land and disposed of as such.

2. The site in question is in continuous possession and enjoyment of the temple for at least 15 years previously and is included within its compound. Besides, the rent realised by letting out the house said to have been built by Mr. Ramakrishniah is being credited to the funds of the institution.

3. In the circumstances, the title of the temple to the land cannot be denied, especially in the absence of any evidence to the contrary. I agree with Mr. Rama Iyer and request sanction of Government to the proposal to dispose of the land in public auction and to invest the proceeds in Government securities as the temple is not deriving any benefit from the site at present.

4. The vernacular file of papers is enclosed for reference and return.

I have the honor to be,

Sir,

Your most obedient servant,

Ramana

tter No.P.R.149-32 dated 18-1-33 from the Deputy Commissioner, Hassan strict, to the Muzrai Commissioner in Mysore.

Subject.- Re. the disposal of a vacant ~~site~~ strip of land belonging to the Sri Raghupathi temple at Holenarasipur.

In forwarding herewith the records ending with the Hassan Sub Division Officer's No.C3-386-32 dated 23rd December 1932 relating to the above subject I have the honor to state as follows:-

2. During the course of my inspection of the Holenarasipur Town on 22nd December 1932, I found that there is a vacant strip of land belonging to the above temple, at the entrance into the Fort from the petta at Holenarasipur which forms a good site for house building purposes. Since the land is left vacant, the temple is not deriving any benefit out of it and as such, orders were issued to the Amildar to examine the possibility of converting it into a building site with a view to dispose it off by public auction and invest the proceeds thereof in Government securities for the benefit of the temple

3. A rough sketch showing the position of the land has been prepared and enclosed in the file.

4. The Dharmadarsis who were consulted in the matter are of opinion that this site may be disposed of in public auction reserving 20 feet of land for the use of the temple viz., 5 feet for voni and 15 feet for the construction of a Maligе from the temple funds after collecting contribution from the devotees in order to utilise the rent that may be realised therefrom for vasantha seva during the month of chaitra of each year etc.

5. Both the Amildar and the Sub Division Officer recommend that this block may be divided into two sites and disposed of in public auction and the realisations invested in Government securities since the income towards the temple might be much less if given away for upset price as prayed for by one Mr.P.N. Narasimhaiya.

6. In the above circumstances, and in view of the fact that the temple is not deriving any benefit out of this land, I request you to be so good as to order for the outright sale of the same in public auction and to invest the proceeds in Government securities.

It is respectfully
submitted that
Para 1870 the

requires that the

such letters. It is
therefore usual to

Hence the preamble
